A MASTERPIECE
IN MOTION

A live performance on a stage. In the foreground, a man in a dark suit and glasses is seated at a black grand piano, playing. Behind him, another man in a dark shirt is standing and singing into a microphone. To the left, a third man is partially visible, also in a dark shirt. The stage is bathed in deep red light, and numerous small, glowing red particles are falling from above, creating a festive or celebratory atmosphere. The background is dark, with some stage equipment visible.

Every performance is an immersive journey.
Led by the visionary Guy Manoukian, our stage
comes alive with a fusion of live music, mesmerizing
dance, and cutting-edge visuals.

As a preferred venue partner, you have the freedom
to curate a show aligned with your event's theme,
whether inspired by iconic global cultures or avant-
garde concepts.
